PEACH PUBLIC LIBRARIES

2022 Summer Reading Program

(0 to 18 years of age)

Explore an Ocean of Possibilities at the Library this summer.

We have programs for Toddler (ages 0 to 5 years old), Children (ages 6 to 11 Years old), and Young Adults (ages 12 to 18 years old). Programs for Special Guests and Friday Family Movie Days are open to all age groups.

Children under the age of 12 must remain in the company of a parent or caregiver. A caregiver is an individual who is at least 16 years of age who acknowledges responsibility for a child or dependent person. Children may not be left unsupervised in the Library.

Readers may sign-up to receive a reading log to track books, ebook, magazines, and other reading materials they read or have read to them throughout the summer. Readers may return their reading logs each week to receive a small incentive prize. Readers who return their final reading logs by or before Friday, July 22, 2022 will receive a certificate for participating in the 2022 Summer Reading Program
